Steps to enable Passwordless mode in Chairside

Open Chairside in Firefox:

<https://chairside2.intranet.fmcna.com/>

Click the top of the blue banner on the Login screen in Chairside

A hidden dialog box will appear. Click on the word “really” in the sentence “Do you really want to restart Chairside?”

Click the Enable button to enable Passwordless mode. When done click the Disable button to return Chairside to the normal login.

Passwordless mode will show the NFC icon and prompt you to scan your key on a dialysis station. Windows machines will only show a manual login
