General Information:

Possible symptoms/errors:

User wants to know how to Change the ■■Team Data Privacy Classification in Microsoft Teams.

Alternative names of the system:

N/A

IMPORTANT NOTICE:

N/A

Solution:

As an owner of a Team user can change its Data Privacy classification settings by their own. This article shows a guide on how the team owner can change the Team Data Privacy Classification in Microsoft Teams.

Details:

1. Advise the user to click on the More options button next to the name of the team and then to select Edit team.
2. Tell the user to hover with the mouse pointer over the info circle to see the different classification level descriptions.
3. Ask the user to click on Change setting.
4. Advise the user to select their preferred classification level, then to click Done.
