The Power BI Pro license enables collaboration, distribution, and sharing features published from Power BI Desktop within the "Power BI Service". A Power BI Pro license is required for any form of sharing or content distribution.

Power BI Premium User licenses are suited directly for users, who can use premium features on their workspace. To share the workspace with other users, these need Power BI Premium User licenses as well.

This article explains how to order a Power BI Pro or Power BI Premium User license.

Details:

Power BI Pro

Follow this link and scroll down to the bottom of the page. Fill out the blank fields with the needed information. Select the \*Action "Create". Then click Order Now.

Power BI Premium User

To ask for a Power BI Premium User license, write an email to [bi.support@fresenius.com](mailto:bi.support@fresenius.com), and provide the same information as shown in the picture above.
