Once your device is added to this group (via an eAccess Request) the Global Protect app will auto install on your device and the needed configuration will be pushed down. Please follow the process below.

This will need to be approved by your supervisor after the request is submitted.

1. Navigate to <https://eaccess.intranet.fmcna.com/dashboard/>
2. Click "Make a Request"
3. Click "Get New Access"
4. Click "Add People"
5. Select user needing access.
6. Click "Add"
7. Click "Add Accesses"
8. Select VPN Mobile Device Access and Click "Add"
9. Select your Mobile Device Type (Android or iPhone/iPad)
10. Provide a Justification of why you need access.
11. Click "Submit Request"
