Set up Instructions:

1. Tap on Start
2. Agree to Terms and Conditions, Privacy Policy and sending of diagnostic data. Tap on Agree.
3. Permissions for Samsung Apps and Services: Ensure all toggles are on and click More.
4. Chose a Wi-Fi Network if there is one available. If requested, tap on Connect. Tap on Next. The phone will then check for updates and start the Knox Enrollment.
5. Click Continue on the Set up Your Phone screen.
6. Click Next to accept that the device is not private.
7. Click Accept & Continue on the Welcome to Chrome screen.
8. Enter your Fresenius email address on the Microsoft Sign in screen. Click Next.
9. Enter your Fresenius email address again on the FMC Sign in screen. Click Next.
10. Enter your password. Tap Verify.
11. Complete the Okta MFA or Text prompt. Once verified the device will register.
12. Setup Screen Lock
13. Select PIN. DO NOT SELECT PASSWORD! Numbers Only - 6 Digits. Use the Last Six of IMEI.
14. Install Work Apps click Install. Then click Done.
15. Register your device and click Set up.
16. At the Intune screen click Sign In.
17. At the Help us keep your device secure screen click Register.
18. On the Microsoft Authentication Broker screen Click Continue.
19. Click Done.
20. The device will go to the Home Screen. The mobile device apps will be downloaded and installed in the background.

Outlook app Setup (Microsoft Office 365) :

1. Tap on the Outlook icon

2. Tap on the Add Account option
3. Enter your Fresenius Email address. Tap on Continue.
4. Tap on Activate on the Activate Device Administrator screen.
5. Tap on Activate on the Outlook Device Policy Screen.
6. Tap on Maybe Later on the Add Another Account Screen.
7. Tap Continue on the Get Access screen. Outlook (Office 365) setup is complete.

UKG WorkForce Central (Kronos) app Setup:

1. Tap on the UKG WorkForce Central icon
2. Once opened, select the Menu key (the 3-vertical dots) in the top right corner.
3. Once settings open, place a check mark in the Access your location box. Tap Allow at the Location Access popup window.
4. Place a check mark at the Display Offline Action box.
5. Enter the Server Address <https://kronosmobile.fmcna.com/wfc>. Tap OK.
6. Select the Back Key (bottom right) to return to the UKG WorkForce Central (Kronos) Main Screen.
7. The app setup is complete. Tap Proceed.
8. UKG WorkForce Central (Kronos) is ready for your username and Kronos password.

Citrix Workspace Receiver App Setup

1. Tap on the Citrix Workspace Receiver icon
2. Tap Allow for both popup windows.
3. Tap Get Started on the Citrix Workspace screen.
4. Enter the address <https://fmconnect.fmcna.com>. Tap Continue.
5. Sign in with your Employee ID and FMC Single Sign On. Tap on Sign In.
6. Enter the Microsoft Authentication code. Tap OK.

ACES Charting app Setup

1. Tap on the Chrome icon
2. Enter ACES Charting address <https://aces.fmcna.com>.
3. Once opened, select the Menu key (the 3-vertical dots) in the top right corner.
4. When the popup window appears, tap on Add to home screen.
5. Tap Add in two popup windows. An ACES Charting icon has now been added to your home screen.
