GSD. MS Teams – How to Change Language Settings in Microsoft Teams

General Information:

Possible symptoms/errors:

How to Change Language Settings in Microsoft Teams.

Alternative names of the system:

N/A

IMPORTANT NOTICE:

N/A

Solution:

This article shows a guide to change the Microsoft Teams language settings.

Details:

1. In Teams, advise the user to click on the profile photo in the top right-hand corner then to select Manage account.

2. Under Settings, ask the user to select General.

3. Under Language, user needs to select the desired language under App language and Keyboard language overrides keyboard shortcuts.

4. Advise the user to click Save and Restart. Microsoft Teams will be closed and restart itself with the new language settings.
