General Information:

Possible symptoms/errors:

How to Make a Public Teams Channel into Private Channel.

Alternative names of the system:

N/A

IMPORTANT NOTICE:

N/A

Solution:

User may want to make a public channel become private when the channels start storing more sensitive information and instead of deleting the information, they can restrict access to some specific users.

Details:

However, conversion of an existing channel into a private one is currently not supported. There is a user voice request to get Microsoft to make this possible, but at the moment, it is impossible to do so.
